Technical drawing of the 'Magical' chair by Eero Saarinen, showing a side profile with dimensions in millimeters. The drawing includes a seat with a curved backrest, a base with a central pedestal, and a side view of the chair's structure. Dimensions are provided for the seat width (120), seat depth (260), seat height (128), backrest height (173±1), and base diameter (450). Other dimensions include a 34mm hole, a 37mm gap, an 8mm gap, a 72.5mm distance, a 66mm distance, and a 45mm base diameter. A radius of R3 is indicated for the backrest curve.
